

SERMC Environmental SOP 22

From: SERMC Environmental (C106)

Subj: Management of Ozone Depleting Substances (ODS)

Ref: (a) DOD ODS Requisitioning Procedures
(b) DOD ODS Turn-In Procedures
(c) OPNAV M-5090.1(series), Environmental Readiness
Program, SECTION III Chapter 22, Clean Air Ashore

(d) SERMC Environmental SOP 42, Regulated Waste (RW)
Program

1. Purpose. Delineates the requirements for management of ODS at the Southeast Regional Maintenance Center (SERMC).

2. Cancellation. Reserved for future reference.

3. Applicability. This SOP, unless otherwise specified, applies to the management of ODS by SERMC personnel inside the SERMC facility and aboard Navy vessels at Naval Station Mayport.

4. Responsibilities

a. SERMC Environmental Safety and Health (ESH) Department will oversee the management of ODS to ensure compliance with applicable regulations and requirements in accordance with references (a) through (d).

b. SERMC Personnel will notify ESH Department of equipment containing ODS for proper management.

5. Discussion. At the present time, SERMC personnel do not purchase ODS, work with ODS or evacuate systems containing ODS. Equipment turned into SERMC for repair is evacuated by Ships Force prior to turn-in. In the event that equipment containing ODS requiring evacuation is found, SERMC ESH department will coordinate the operation with Facilities Department through the NAVFAC Base Operating Services Contractor.
